While individuals can register at any time during the Promotional Period, they will only be able to enter the promotion, submit tips and earn points for the races/events taking place after the time they register.

6. Entrants can make tips for any race taking place at the eight (8) events outlined in the table below. For removal of doubt, entrants can submit a tip for more than one race at a particular event subject to entry limits in clause 7 below.   - Only one (1) tip is permitted per race.

### **POINT ALLOCATION**

8. To collect points, individuals must submit a tip on which horse they think will finish in first place i.e. winning position. Individuals will be awarded points if their tipped horse finishes in first place, second place or third place. Points will be determined based on the TAB opening fixed market odds of their tipped horse as provided to the Promoter. Individuals will be allocated the TAB opening fixed market odds multiplied by 10. For example, if the opening fixed market odds of a correctly tipped horse paying is \$1.10 then the individual will receive 11 points, if a horse paying is \$101 then the individual will be awarded 1010 points. The points allocation for each particular horse, if it is successful, will be displayed at the point at which individuals make their tip.
9. In the event that an event or race in a particular event is cancelled, abandoned, not completed or not conducted for any reason and/or a result is not officially declared within three (3) days of the date the event/race was originally scheduled to take place, the event/race will be considered void and no points or prizes will be awarded for that event/race.
10. In the event that an individual's tipped horse does not compete in, or fails to finish or is disqualified from a particular race for any reason, they will be awarded zero points for that race.
11. In the event that an individual does not submit tips for a particular race, they will be awarded zero points for that race.

### **SELECTION OF WINNERS**

12. The entrant with the most points at the end of each event will be selected as a winner for that event ("**Event Prize Winner**").
13. The entrant with the most accumulative points from the Cup Week Tipping (i.e. combination of points collected through all races and events of Cup Week Tipping), will win the major prize ("**Major Prize Winner**"). For removal of doubt, points awarded for any races and events for the Spring Racing Tipping will not contribute to an entrant's points for the Major Prize.
14. In the event of a tie between two (2) or more entrants, the winner will be selected according to who (of the tied entrants) submitted their last tip first in time. For clarity,

if determining the Major Prize Winner, the winner will be determined based on who submitted their tip in the last race of the last event in the Cup Week Tipping first in time. If determining the Event Prize Winner, the winner will be determined based on who submitted their tip in the last race of that event first in time. If only one entrant of the tied entrants made a tip in that last race, that person is the winner. If none of the tied entrants made a tip in the last race of the last event, the same process is applied to the second last race of the last event and so on until a winner is selected.

15. Entrants will be divided into two (2) groups: all entrants and Eligible VRC Members. For removal of doubt, Eligible VRC Members are eligible to all prizes in the prize pool whereas non-Eligible VRC Members are only eligible for the prizes as specified in clauses 16 and 18 below.

### **SPRING RACING TIPPING – PRIZES**

16. Each Event Prize Winner out of all entrants will each be awarded a cash prize valued at \$2,000.

19. Each Event Prize Winner out of the Eligible VRC Members will each be awarded \$2,000 to be loaded on their VRC membership card. The Major Prize Winner out of the Eligible VRC Members will be awarded a cash prize valued at \$10,000.

If this promotion is interfered with in any way or is not capable of being conducted as reasonably anticipated due to any reason beyond the reasonable control of the Promoter, including but not limited to technical difficulties, unauthorised intervention or fraud, the Promoter reserves the right, in its sole discretion, to the fullest extent permitted by law: (a) to disqualify any entrant; or (b) subject to any written directions

from a regulatory authority, to modify, suspend, terminate or cancel the promotion, as appropriate.

35. Any cost associated with accessing the promotional website is the entrant's responsibility and is dependent on the Internet service provider used.
