Seating at the Melbourne Cup Carnival will ordinarily be allocated to a Member's account following the completion of the relevant Melbourne Cup Carnival. Bonus Points will ordinarily be allocated to the Member's Racing Rewards account within one week after completion of the relevant Promotion.

5.9 A Member may also earn Bonus Points from time to time, as made available by the VRC and Partners, for participation in Promotions (including for making Eligible Transactions as part of a Promotion) on the terms published from time to time by the VRC or Partner and the applicable terms set out in section 18 of these Terms and Conditions. The rate at which Bonus Points are issued will be determined by the VRC.

5.10 Points will not be awarded in relation to any Eligible Transaction that is cancelled or refunded or the relevant product or service is returned. VRC may cancel or deduct any Points that have been awarded in relation to cancelled, refunded or returned Eligible Transactions or products or services.

5.11 Except as provided elsewhere in these Terms and Conditions, or as otherwise specified by VRC, Points will be credited only to the account of the Member who made the Eligible Transaction.

5.12 Further to section 5.11, but subject to section 5.13, when booking Members Dining (provided the booking is an Eligible Transaction), Racing Rewards points will be allocated to the Member who makes the booking and Racing Rewards points will not be split between Members.

5.13 Members who book dining during the Melbourne Cup Carnival (provided the booking is an Eligible Transaction) may allocate Racing Rewards points to individual Members nominated on the booking form provided their name, Member ID and number of seats attributed to this Member is supplied.

5.14 Members may also earn Standard Points on their Reserved Seat purchases for the Melbourne Cup Carnival in the Members Enclosure only, provided the booking is an Eligible Transaction. If the purchase is made through Ticketek, Members must provide their Member Number at the time of booking to earn Standard Points.

5.15 The basis upon which Members may be permitted to accumulate Standard Points (including any formulae for accruing Points) shall be determined by the VRC in its sole and absolute discretion and may change from time to time in accordance with section 11 below.

5.16 Racing Rewards points are not money, cannot be transferred or exchanged or refunded for money and cannot be

used by any person other than the Member who accumulated the Points (with the exception of Platinum Tier Members who may transfer points to another Member once a season only, see section 8.5). Points are not subject to Member direction, control or other entitlement (except as expressly stated herein) and cannot be redeemed for cash. Racing Rewards points cannot be purchased.

5.17 It is the Member's responsibility to ensure that their Membership Card has been:

- (a) properly inserted into/placed in front of and accepted by the card reader/scanner when entering the Racecourse or any Race meeting; and
- (b) properly scanned at the Point of Sale terminal when making an Eligible Transaction at a Point of Sale, prior to the transaction being cashed off by the staff member.

Upon successful scanning at the Point of Sale, the Member's name will appear on the customer facing display screen. If a Member experiences any issues with this process at a VRC Race meeting, it is the responsibility of the Member to advise the bar/outlet staff at the time of purchase and request a receipt; they will instruct you to contact the Race day & Ticketing Office on (03) 9371 7114 and a VRC representative will meet you at the outlet. No Points amendments will be made after the race day and no Points or other benefits will be allocated for Racecourse entry or transactions not recorded against a Membership Card or Member Number on the relevant day.

5.18 The VRC will not be liable in any way in relation to the unavailability of Points which fail to accumulate as a result of Partner error, technical malfunction, or by reason of operator fault, misrepresentation or any other reason beyond the reasonable control of the VRC.

5.22 The VRC reserves the right to adjust a Member's Points balance and to withdraw or alter any Benefits or Rewards where such Points, Benefits or Rewards have accumulated as the result of any error, technical malfunction, operator fault, misrepresentation or any other reason, including any act or omission (including negligence) by the VRC or a Partner.

5.20 Any notice issued by the VRC to the Member specifying the number of Standard Points or Bonus Points accumulated by the Member may be adjusted by the VRC by any subsequent notice.

5.21 Bonus Points and other Promotions:

(a) VRC may from time to time enter into arrangements with its Partners in relation to the awarding of Bonus Points or other Benefits to Members on behalf of those Partners. Such arrangements may change from time to time and may include the awarding of Bonus Points for participation in Promotions, or

TERMS & CONDITIONS

Racing Rewards Program

as purchasing incentives. Those Bonus Points and/or Benefits are earned in accordance with the terms and conditions offered by the Partner, and are subject to change.

(b) VRC may, from time to time, also offer other arrangements or approve other ways in which Members may earn Points and Benefits. Additional terms and conditions applicable to earning those Points and Benefits will be made available through the VRC website.

(c) Members should check all applicable terms and conditions with the relevant Partner or on the VRC website or by calling VRC Customer Service before participating in any such Promotion or purchasing the applicable products or services.

5.22 The VRC reserves the right to personalise offers of Benefits or Points to individual or groups of Members or tiers, to offer different Base Rates or other Point earn rates or Benefits (or applicable terms and conditions) to different Members or to different tiers, and Members acknowledge that not all Members will receive the same offers.

5.23 Any points accrued from the date of the last VRC Race meeting during the Racing Season until 31 July of that Racing Season will be counted towards the current Racing Seasons Points AND NOT the following Racing Seasons' Points. For example, if the date of the last Race meeting for the Racing Season is 22 July, then any Points accumulated between 23 July – 31 July will be awarded towards the current Racing Season's account.

6. Points Expiry

6.1 Subject to clause 6.2, points accumulated through the Racing Rewards Program expire at 11.59pm on the last day of the calendar month that is two years from the date they are awarded. Points cannot be re-credited or used once they have expired. For example, Points awarded on 21 May 2016 will expire on 31 May 2018, but not before the 31 May 2018.

6.2 The expiry date for any points that were due to expire in the period between 1 March - 31 December 2020 are automatically extended by 12 months from the date of original expiry.

7. Tier Status

7.1 All Members initially enter the Program in the Bronze Tier, unless they qualify to enter at a higher Tier based on their Tenure with the VRC. VRC may offer additional Membership Tiers from time to time at its discretion.

7.2 Members may earn their Tier Status in one of three mutually exclusive ways:

(a) through their total accumulated spend on Eligible Transactions within a Racing Season, subject to section 5.23 above (each transaction counted once), as follows:

Spend (total accumulated on Eligible Transactions within a Racing Season)	Racing Rewards Tier
\$2,000+	Platinum
\$750 - \$1,999	Gold
\$150 - \$749	Silver
\$0-149	Bronze

(b) through their Tenure, or consecutive years of Membership, with the VRC, as follows:

Years of Continuous Membership (Tenure)	Racing Rewards Tier
40+	Platinum
30-39	Gold
20-29	Silver
0-19	Bronze

(c) through their total number of attendances at individual VRC Race meetings within a Racing Season, as follows:

Race meetings attended within a Racing Season	Racing Rewards Tier
15+	Platinum
10-14	Gold
5-9	Silver
0-4	Bronze

7.3 The number of Points (Standard Points or Bonus Points) a Member accumulates does not count towards determining a Member's Tier Status.

7.4 Automatic access into a Tier Status above Bronze through Tenure is for continuous years of Junior, Restricted, Full or Provisional Membership only. Years of Membership prior to a Membership lapsing or a Member electing to become an Absentee Member for one full Racing Season or more, will not be counted for automatic qualification to the corresponding tier.

7.5 Tier Status for Tenure reflects your Membership anniversary within a Racing Season. For example if 20 years Tenure is reached in October 2016, Tier recognition for that period of Tenure will occur at the commencement of the 2016/17 Racing Season, assuming the Member remains a Member for the 2016/17 Racing Season.

7.6 Otherwise, Tier Status is awarded upon qualification by either spending the required amount, see section 7.2.(a), or by

TERMS & CONDITIONS

Racing Rewards Program

attending the required number of VRC race meetings, see section 7.2.(c), for the relevant Tier level within the current Racing Season and runs until the end of the following Racing Season.

7.7 Subject to this clause 7.7, tier Status (once achieved) will continue as long as a Member's spend, attendance or Tenure history is re-achieved by the end of the following Racing Season. Should the Member's spend, attendance or Tenure qualification not be re-achieved within this timeframe, the Member's Tier Status will be down-graded at the end of the following Racing Season (except as expressly provided in this clause).

For example, if a Member qualifies for Gold Tier Status during Racing Season 2016/17, the Member will retain Gold Tier Status until the end of Racing Season 2017/18. The Member's Tier Status in Racing Season 2018/19 will however depend on whether the Member has qualified for Tier Status (according to the applicable spend, attendance or Tenure requirements) during Racing Season 2017/18. The Tier Status held by a Member in the 2019/20 Racing Season will automatically apply to that Member for the 2020/21 Racing Season, irrespective of whether they achieved the necessary qualification(s) to maintain that Tier Status. Any Member who achieved the necessary eligibility to elevate their Tier Status for the 2020/21 Racing Season will have that elevation granted. Maintenance of Tier Status for the 2021/22 Racing Season will be dealt with in accordance with the standard procedure outlined in this clause.

7.8 Members may be rewarded with Benefits based on their Tier Status or as a result of earning their Tier Status. Some of these Benefits are outlined on the VRC website. VRC may offer additional or different Benefits from time to time based on Tier Status.

7.9 Separate terms and conditions apply to any Members Enclosure Daily Guest Passes provided as a Benefit of reaching a particular Tier Status, including that the Members Enclosure Daily Guest Passes cannot be used during the Melbourne Cup Carnival. Refer to the VRC website for details.

7.10 All Financial Members are eligible for complimentary Members' Enclosure Daily Guest Passes as follows:

Bronze Tier	Two tickets
Silver Tier	Four tickets
Gold Tier	Eight tickets
Platinum Tier	Twelve tickets

Members Enclosure Daily Guest Passes earned through Tier Status will be accessible via the Member web profile at the beginning of the Racing Season immediately following the one in which they earned their Tier Status, provided the Member renews for the new racing season. Tickets must be printed out and scanned through the turnstiles at Flemington. These Members Enclosure Daily Guest Passes do not grant access to the Melbourne Cup Carnival, but otherwise will be valid for the remainder of the Racing Season in which they were sent to Members. For example, if a Member earns eight Members Enclosure Daily Guest Passes during the 2018/19 season, they will receive the passes at the beginning of the 2019/20 season and they will be valid for use during the remainder of that 2019/20 season.

7.11 Members who have not supplied a valid email address will receive their tickets via post upon request, or may be required to collect them from VRC Head Office, 448 Epsom Road, Flemington, Victoria.

7.12 Any notice issued by the VRC to the Member specifying the way in which Tier Status can be earned or achieved may be adjusted by the VRC by any subsequent notice.

7.13 Members may be eligible to participate in attendance based prize draws on specified race days as communicated by the VRC. Participating in these prize draws will be based on the Member's attendance on the specified race day. The details and terms and conditions of these prize draws will be communicated via the VRC website (and include the applicable terms set out in section 18 of these Terms and Conditions). Promotions or prize draws may from time to time be offered exclusively to those Members with Platinum Tier status.

8. Awarding of Points and Tier Status

8.1 There may be some delay between an Eligible Transaction or attendance at a VRC Race meeting and the awarding of Points and/or Tier Status. The VRC will take all reasonable steps to limit such delays beyond the reasonable processing time, but will not be liable in the event of delays which are not within its reasonable control.

8.2 Bonus Points will ordinarily be awarded within one week after the Promotion end date but the VRC and Partners will not be liable in the event of delays which are not within their reasonable control.

8.3 Members can check their Racing Rewards points Balance and Tier Status by logging into their account via the VRC website or by calling VRC Customer Service.

8.4 Except as expressly stated otherwise in these Terms and Conditions, Members cannot pool or combine their Racing

TERMS & CONDITIONS

Rewards points with those of other Members and Points cannot be assigned, transferred, or otherwise made available for the benefit of any other person or legal entity.

8.5 Platinum Tier Members are entitled to transfer Racing Rewards points to another participating Member once per Racing Season, upon request to VRC Customer Service. The transferred Points will expire two years from the date they were originally awarded to the transferor of the Points.

9. Benefits and Rewards

9.1 Racing Rewards Members may also from time to time have access to a suite of Partner offers and discounts (as published by the VRC from time to time – also referred to as the Members Benefits Program). These offers will be accessible through the VRC website, will vary from time to time, and are provided by Partners by arrangement with the VRC. Such Benefits offered by Partners are earned in accordance with the terms and conditions offered by the Partner, and are subject to change. Those terms and conditions will be made available through the VRC website. Members should check all applicable terms and conditions with the relevant Partner or on the VRC website or by calling VRC Customer Service before participating in any such offer or purchasing the applicable products or services.

9.2 The VRC may at any time and without prior notice change the Benefits and Rewards that are to be made available or offered to Members. The VRC shall have no obligation to make available or offer any particular Reward or Benefit.

9.3 Except as required by law, the VRC shall not be liable in any way to any Member in relation to the availability or withdrawal of a particular Benefit or Reward that may have been previously displayed or promoted as being available. The VRC will not be liable for any failure to offer any particular Benefit or Reward.

9.4 Benefits and Rewards cannot be used in conjunction with other discount programs, offers or special events, whether run by the VRC or a third party, unless otherwise approved by VRC or specified in the terms and conditions of a particular discount program, offer or special event.

9.5 Benefits and Rewards cannot be assigned, transferred, or otherwise made available for the benefit of any other person or legal entity.
