### **POINT ALLOCATION**

8. To collect points, entrants must submit a tip on which horse they think will finish in first place i.e., winning position. Entrants will be awarded points if their tipped horse finishes in first place, second place or third place. Points will be determined based on the TAB opening fixed market odds of their tipped horse as provided to the Promoter. Entrants will be allocated the TAB opening fixed market odds multiplied by 10. For example, if the opening fixed market odds of a correctly tipped horse paying is \$1.10 then the individual will receive 11 points, if a horse paying is \$101 then the individual will be awarded 1010 points, and so on. The points allocation for each horse, if it is successful, will be displayed at the point at which entrants make their tip.
9. In the event that an event or race in a particular event is cancelled, abandoned, not completed or not conducted for any reason and/or a result is not officially declared within three (3) days of the date the event/race was originally scheduled to take place, the event/race will be considered void, and no points or prizes will be awarded for that event/race.
10. In the event that an entrant's tipped horse does not compete in, or fails to finish or is disqualified from a particular race for any reason, they will be awarded zero (0) points for that race.
11. In the event that an entrant does not submit tips for a particular race, they will be awarded zero (0) points for that race.

### **SELECTION OF WINNERS**

12. The entrant with the most points at the end of each event will be selected as a winner for that event ("**Event Prize Winner**").
13. In the event of a tie between two (2) or more entrants, the winner will be selected according to who (of the tied entrants) submitted their last tip first in time. If determining the Event Prize Winner, the winner will be determined based on who submitted their tip in the last race of that event first in time. If only one (1) entrant of the tied entrants made a tip in that last race, that person is the winner. If none of the tied entrants made a tip in the last race of the last event, the same process is applied to the second last race of the last event and so on until a winner is selected.
14. Entrants will be divided into two (2) groups: all entrants and Eligible VRC Members. For removal of doubt, Eligible VRC Members are eligible to all prizes in the prize pool whereas non-Eligible VRC Members are only eligible for the prizes as specified in clauses 15 below.
